The use of these higher walls for the company's own advertising purposes is inadmissible - if they are used this way, the company will be forced to remove the advertising items and to process the walls in a graphically neutral way at its own expense. Any advertising eye catchers exceeding the height of 250 cm must be placed by the company at a distance of least 1.5 m from the neighbouring stands.

The contours of the exhibition stand must not exceed the contours of the exhibition area leased, not even above the level of the ceiling structure of the stand. Any possible excess of the collar or eye-catcher of the stand into the isle is permitted after a written approval by ABF, a.s.

The stand must not touch the structure, walls or roof of the exhibition halls with any parts and the distance of its rear wall from the hall wall must not be less than 1m. The highest point of the stand must be situated at least 70 cm from the ceiling structure.

CONNECTION LINES: Assembly power supply (230 V) will be available from the day of permitted assembly of stands (see point 1), in several places in the halls or in the Centre, in the sites of the assembly connection line. For this reason please ensure your own extension cables - approx. 50m.

ADDITIONAL ORDERS OF SERVICES: Any changes concerning orders of technical services, erection or equipment of stands required by the exhibitor, additionally after the assembly commencement deadline, will only be managed after fulfilment of properly ordered work and services towards the other exhibitors. These additional orders of work and services may be subject to a surcharge of up to 100% of the price calculated by ABF, a.s. The payment shall be made by the exhibitors in cash at the Exhibition Centre.

SECURITY SERVICE AND INSURANCE

Within the meaning of the General Terms and Conditions for Participation in the ABF, a.s. Trade Fairs, the organiser is not responsible at the Centre towards Exhibitors or their Co-exhibitors for any loss, destruction or any damage to exhibits, equipment and outfit of the stands, goods, packages, packaging materials, regardless of the fact whether the loss, destruction or other damage arose during assembly, transport or in course of the Trade Fair.

The Exhibitor is obliged to have all exhibits and above mentioned materials, both its own and those of its Co-exhibitors, insured for all the time of their presence in the Exhibition Centre, against all risks which can be considered for the Exhibitor's assets. The insurance can be arranged for in advance also directly in the Exhibition Centre area (the information is available from the registration office of ABF, a.s. in Entrance Hall II.). For more detailed information please see www.osa.cz and www.intergram.cz.**

If the exhibitor fails to do so, the trade fair organiser, ABF, a.s., forbids operation of any music production in contradiction with the above mentioned rules.

If the above mentioned reporting obligations and the registration conditions are met, it is only permitted to run audio video, acoustic, music, dancing and other productions for the time of max. 8 minutes per hour provided that the other exhibitors are not disturbed by the operation of these means.
